

# PEDRO COSTA

## Web Developer

+351 915 837 393

pcostaaaa@gmail.com

Pombal, Leiria, Portugal

### CAREER SUMMARY:

I have recently completed the **Professional Web Developer Training Course** at Master D, and I am looking for a career opportunity to enhance my knowledge.

My background includes hands-on experience in building web applications with **HTML/CSS, BOOTSTRAP, JavaScript, PHP** and **MySQL**.

Despite being at an early stage of my professional journey, I'm eager to contribute to a collaborative team and develop my skills even more.

I see myself as organized, communicative and practical in problem-solving. I thrive in collaborative environments, welcome feedback as a learning opportunity and remain curious about exploring new technologies and approaches.

With my commitment to quality and adaptability, I believe I could add value to a company whose mission is to deliver innovative and user focused digital solutions, while also developing further as part of your team.

### EDUCATION:

2024 - 2025 | *Master Distância, Lda*

#### **Professional Web Development Training Course**

- Development of web products in HTML/CSS, BOOTSTRAP, JavaScript, PHP and MySQL;
- Building, testing and maintaining digital products;
- Adding interactivity to websites;
- Creating databases to support websites;
- Creating essential content elements for a functional website.

2013 - 2016 | *Agrupamento Escolas de Pombal*
